diluent, and wherein said multi-filamentous net or mesh is impregnated with said pigment formulation according to the method of claim 5.

REMARKS

Applicant is aware of the requirements of 37 C.F.R. § 1.121, but believes that a listing of all of the claims is not necessary in these circumstances.

This matter was discussed with the Examiner in a telephone conversation on 1 April 2004. The Examiner suggested that the correction be made by means of this Rule 312 Amendment.

Respectfully submitted,

It Ray
